Wally Leland's golf game has been in steady decline for the last ten years. At 54, age and lack of practice have taken their toll and he is a ten handicap trending to the teens. In an act of desperation he orders a swing aid off the internet called the Golf Gizmo. Upon the Gizmo's arrival Wally's game is transformed. With a vision he believes is from God, in the next nine months he goes from white tee hacker to world class player. Battling himself, his lack of talent, and his lack of faith, he finds himself in the biggest event in senior golf with a final round pairing he could have never envisioned and an ending that is nothing short of miraculous.
