She wanted to feel pleasure...

After twenty-nine years, high school English teacher Amy Maguire realizes something is missing in her life...passion. Always one to tackle a problem head on, Amy makes a plan to remedy her situation. Phase One: find a suitable candidate. Phase Two: experience passion. Simple. Right? Except after countless dates she hasn't once felt that spark, that chemistry. That is until the sexy new History teacher walks into her classroom...

He wanted to forget pain...

Matt Kellan knows he'll never love again. After tragically losing his wife five years ago, Matt has been in a holding pattern. Every woman he meets wants to fill a void that he knows will never be filled. Until he meets Amy. Her quest to find fulfillment has nothing to do with letting her into his heart...just his bed.

Passion brought them together. Love may drive them apart.
