Summerland

Michael Chabon

Summerland Michael Chabon

From the Pulitzer Prize winning Michael Chabon comes this bestselling novel for readers of all ages that blends fantasy and folklore with that most American coming-of-age ritual: baseball—now in a new edition, with an original introduction by the author.

Ethan Feld is having a terrible summer: his father has moved them to Clam Island, Washington, where Ethan has quickly established himself as the least gifted baseball player the island has ever seen. Ethan's luck begins to change, however, when a mysterious baseball scout named Ringfinger Brown and a seven-hundred-and-sixty-five-year-old werefox enter his life, dragging Ethan into another world called the Summerlands. But this beautiful, winter-less place is facing destruction at the hands of the villainous Coyote, and it has been prophesized that only Ethan can save it.

In this cherished modern classic, the *New York Times* bestselling, Pulitzer Prize winning author brings his masterful storytelling, dexterous plotting, and singularly envisioned characters to a coming-of-age novel for readers of all ages.
