A New Hope: The Illustrated Screenplay (Star Wars, Episode IV)

George Lucas

A New Hope: The Illustrated Screenplay (Star Wars, Episode IV) George Lucas

A LONG TIME AGO IN A GALAXY FAR, FAR AWAY . . .

"It is a period of civil war. Rebel spaceships, striking from a hidden base, have won their first victory against the evil Galactic Empire."

INTERIOR: REBEL BLOCKADE RUNNER--MAIN HALLWAY

The awesome seven-foot-tall Dark Lord of The Sith makes his way into the blinding light of the main passageway. This is Darth Vader, right hand of the Emperor.

VADER: Commander, tear this ship apart until you've found those plans and bring me the Ambassador. I want her alive!

Even the best actors, the most talented director, and the most amazing special effects can't make a great movie without a superb story to build on. Now here is the complete screenplay of the cornerstone film that launched a science fiction phenomenon.

Experience the capture of Princess Leia by Lord Darth Vader and the evil minions of the Empire . . . Farmboy Luke Skywalker's discovery of her desperate message hidden in the droid R2-D2 . . . Luke's fateful meetings with legendary Jedi Knight Obi-Wan Kenobi and intergalactic smuggler Han Solo . . . And the climactic battle to destroy the sinister Death Star.

Fully illustrated with the original storyboard art--and featuring highlights of the famous Rolling Stone interview with George Lucas--this definitive volume is a must for every Star Wars library.
