Boxed Set of all three parts available now!

Tristan was everything I'd ever wanted in a one night stand. He was panty-melting hot with a body chiseled by Greek gods and a lover of filthy dirty talk that left me gasping and begging. Better yet, he gave me the best wall-banging, scream-inducing sex I'd ever had in my life.

Then he completely humiliated me once everything was said and done...

When I found out that my sex god was none other than Tristan Blackwell, billionaire heir to the famous banking empire and a notorious playboy known for getting his way, I *never* wanted to see him again. Not in a million years.

Unfortunately, luck had never been on my side...

Note: This is the first part of a serialized romance. Each installment is 25,000 words long or 100 pages and ends on a light cliffhanger. For mature audiences only (18+).

A boxed set of all three parts is available on Amazon now!
