The Case Is Closed Patricia Wentworth

The Everton murder case has long been closed. The culprit has been charged with the murder of his uncle and has served a year of his sentence already. Or has he? The evidence against Geoffrey Grey is convincing but his wife believes in his innocence. And so does her young cousin, Hilary, who decides to solve the mystery herself. But when Hilary herself is nearly murdered she turns in desperation to her ex-fiancé for help. He calls upon the services of Miss Silver to help solve another mystery, which she does in her own original style.
