**Kill Bill** Quentin Tarantino

**For the first time ever in print, the legendary screenplay of the iconic film KILL BILL, with markedly different scenes than the movie, an introduction by a film scholar, and a foreword written by Quentin Tarantino.**

In this epic, novel-esque scenenplay that was split into two films by the studio, a woman known only as The Bride awakens from a four-year coma. The child she carried in her womb is gone. Now, she must wreak vengeance on the team of assassins who betrayed her-a team she was once part of. With new cover art envisioned by Tarantino himself, KILL BILL, along with *Django Unchained*, and *Pulp Fiction*, will be designed to look great as a stand-alone, but also to coordinate as a complete collector's set for the Tarantino fan.
