Vince Flynn Collectors' Edition #4: Extreme Measures, Pursuit of Honor, and American Assassin

Vince Flynn

In this special collectors' edition, relive the action in Vince Flynn's #1 *New York Times* bestselling political thrillers: *Extreme Measures*, *Pursuit of Honor*, and *American Assassin*.

Extreme Measures

In the secretive world where fearless men and women wage a daily covert war, the CIA has intercepted two terrorist cells--but a third, led by a dangerous mastermind, is feared to be on the loose. Counterterrorist agent Mitch Rapp joins forces with a warrior as dedicated--and lethal--as they come: ex-Marine and elite operative Mike Nash. Both Rapp and Nash have stared down the jihadist culture of death. Both have saved thousands of lives without accolades or acknowledgment of their personal sacrifices. But the political winds have changed on Capitol Hill, and certain leaders want Mitch Rapp put back on a short leash. And when a nightmare scenario descends on Washington, D.C., Rapp and Nash will follow new rules of engagement: their own.

Pursuit of Honor

When Washington, D.C.'s National Counterterrorism Center is struck by a series of devastating explosions, the results are catastrophic--185 killed, including public officials and CIA employees. Such an act of extreme violence calls for extreme measures--and elite counterterrorism operative Mitch Rapp, joining forces with trusted team member Mike Nash, finds himself in the frustrating position of having to illustrate the realities of national security to government officials up in arms over the agents who rushed in to save countless American lives. Meanwhile, with three al Qaeda terrorists still at large and Nash traumatized by the horrors he witnessed during the attack, Rapp must help his friend while threading his way through the naysayers on Capitol Hill--and silently, swiftly, do what he must for the sake of his country and the pursuit of honor.

American Assassin

Before he was considered a CIA superagent, before he was thought of as a terrorist's worst nightmare, and before he was both loathed and admired by the politicians on Capitol Hill, Mitch Rapp was a gifted college athlete without a care in the world . . . and then tragedy struck. Two-hundred and seventy souls perished that cold December night of the Pan Am Lockerbie terrorist attack, and thousands of family and friends were left searching for comfort. Mitch Rapp was one of them, but he was not interested in comfort. He wanted retribution.
