WHERE THE WIND BLOWS *Winner of RWA's Golden Heart Award and Write Touch Readers Award 2010.*

Wyoming Territory, 1878

Chase Logan is content. He's free as a clear mountain stream and that suits him just fine. When he's mistaken for Jessie Strong's husband, he's shocked, but her imploring gaze has him agreeing to play along--for three days--just until the adoption papers for darling three-year-old Sarah are finalized.

"Charming." -Romantic Times Book Review

Jessie knows Chase's sense of chivalry is the reason he's stepped in, but her imagination can't help but pretend what life might be like with a man like Chase. He's handsome and kind--and a bit dangerous, too.

"Sweet and touching." --All About Romance

The love that grows between Chase and Jessie defies the wildness of the land, the danger outside the door--but the secret between them is hurtful enough to shatter Jessie's heart. Will it rip them apart? Or will their dream of being a real family come true at last, no matter... *Where the Wind Blows*

"Every now and then a book comes along that is just so tender, so lovely, you can't help the emotions that roll through you...this is one of those books."

-The Good, The Bad and The Unread

"An absolutely delightful tale penned by an author sure to make a name for herself."

-Pamela Britton, Bestselling Author

"Ms. Fyffe has crafted a well-written tender tale that will leave you with a warm smile and renewed faith in love and getting through it all." --Night Owl Romance

Lisa Potter:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Where the Wind Blows (Leisure Historical Romance) can make you sense more interested to read.

Antonio Sisson:

A lot of people said that they feel uninterested when they reading a publication. They are directly felt that when they get a half portions of the book. You can choose the particular book Where the Wind Blows (Leisure Historical Romance) to make your own reading is interesting. Your personal skill of reading ability is developing when you such as reading. Try to choose easy book to make you enjoy to read it and mingle the impression about book and examining especially. It is to be very first opinion for you to like to open up a book and learn it. Beside that the book Where the Wind Blows (Leisure Historical Romance) can to be your friend when you're really feel alone and confuse using what must you're doing of the time.
