## **Journey Without Boundaries: The Operational Life & Experiences of a SA Special Forces Small Team Operator** Andre Diedericks

This is the extraordinary tale of an extraordinary man. An honestly told story of his military career, of a man who was twice decorated for valour, who pioneered and developed the concept of "small team reconnaissance" within the South African Special Forces. He was a consummate warrior and gentleman and has told his story with humility and a disarming sense that what he did was simply the job he was given, when even the most cursory reading will show that it was anything but simple or easy. From start to finish, his life was truly a 'Journey without Boundaries'. This version is in black and white.
