#### **Brenda Taylor:**

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write on their book. One of them is this Kiss.

#### **Marie Velasquez:**

Playing with family inside a park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Kiss, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout fellas. What? Still don't buy it, oh come on its known as reading friends.

#### **Laurence Asher:**

Is it anyone who having spare time after that spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Kiss can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these books have than the others?

#### **Vincent Mireles:**
