## **Modern Welsh Dictionary (Welsh and English Edition)** Gary King

This superb edition of Oxford's *Modern Welsh Dictionary* has been thoroughly updated with new words in both English and Welsh. It contains hundreds of example phrases of spoken and written Welsh, so that readers can see the language in context. Excellent grammar notes on tricky words and important topics mean that help is always at hand, whether users are working in Welsh or in English. Also included is a new section on vocabulary relating to the Welsh Assembly, to complement the vocabulary lists of countries, regions, languages, and cities that are already present in the dictionary. The handy paperback format and superior coverage of vocabulary make the dictionary the ideal first-choice for those who want a quick-reference dictionary that can be carried easily.
