## “We're stopping Tom.”

**Kevin Walker, baker and young businessman**, is in trouble on Ember Isle. Sparks are flying with gorgeous Eli, the man who awakened Kevin's sexuality and worked his way into his heart. Kevin kept their relationship quiet, but his business mentor on the exclusive island has found out and he disapproves. To the outside world, unaware of Eli's breakup with A-list actor Tom, Kevin looks like a homewrecker. Kevin suspects **a jealous Tom is sabotaging them**. Is this the end of both his long dreamed-of business with his closest friend, Troy, and his relationship with handsome and sweet Eli?

Ex-fiancé Tom's conniving antics aren't impressing **billionaire Eli Black**. The heartbreak is over. Now Eli's just angry that Tom is interfering with his desire: a life with the loyal and determined Kevin over his knee and in his heart. Even help from Dean, Eli's best friend, can't fix everything. It's been three weeks of knowing Kevin and their bond is scorching hot, but this time, **outside forces threaten their future**.

When Tom drops a well-timed bit of bad news, followed shortly by even worse news from the island's owner, nobody's more concerned than Eli. **Ember Isle is up for sale**, and Eli's worried for the future of Kevin's business, his good name, and most importantly, their relationship. In this final installment of Island Heat, push comes to shove and **the clock is ticking** on Kevin and Eli. Is their love just a summer romance in the island heat or a lifelong fire?

*Scorch is the third and final book in the Island Heat series.*
