R.L. Naquin, author of the Monster Haven series, shares an assortment of stories from places just outside the world we know. These pages are filled with friendly monsters, dueling witches, floating ice fish, chupacabra taxidermy, and escalators leading to Heaven and Hell.

This collection includes two brand-new Monster Haven tales. Find out how Riley got his job in “Reaper’s Tale,” and join Kam the djinn as she chases down a ghost with unfinished salon business in “Shampoo Girl.” Plus, as a bonus, this collection includes three previously released Monster Haven stories – just in case you missed them.

Also, take a peek into the new world of the Mount Olympus Employment Agency (series coming in 2015) with “Unmatched Cupid” and “Undercover Gorgon.”

Transmonstrified offers quick reads for when the boss leaves the room to get coffee and longer ones for when that chatty lady on the plane won’t be quiet. Eighteen stories filled with magic and oddities await.

Because everybody needs a little magic.
