Walk-on: LIFE FROM THE END OF THE BENCH Alan Williams

Most people don't know what it's like to hit a game-winning shot or how it feels to be the first player picked at recess. Alan Williams knew nothing about being the star, but a courageous basketball player shows that one can still find success in the midst of failure. Even though Alan's career didn't result in him being a lottery pick in the first round of the NBA draft, *Walk-On* gives each of us something to cheer about. From the end of the bench, a firsthand view of major college basketball proves that ultimate fulfillment in life is not found in how many points we score, but in having a hope and a faith in those things in life which cannot be seen.
