Book 1 is FREE!

Is it possible to love two men at the same time?

The question elicits an immediate "no," from many women, but for me it's YES! Loud and clear. My heart is decidedly indecisive about picking one man over another.

Shelly's shocking arrest turns our worlds upside down. Whoever helps her get her freedom back will earn my respect and love, but I've never assumed Matt and Craig, the two men who own my heart, would put their issues with each other aside and work together on one goal, that is rescuing Shelly.

The truth in the murder case proves to be almost impossible to find. Will my best friend for life be able to prove her innocence? Will I ever have the resolution to pick one man and move on?

~

Mature audiences only. Lots of M/F & M/F/M scenes.
