## **Federal Indian Law (Hornbook)** Matthew Fletcher

*Fletcher's Hornbook on Federal Indian Law* is a deep survey of the history and substantive law governing the relations between the three American sovereigns, federal, state, and tribal. Interwoven are issues of federalism, administrative law, constitutional rights, and international relations. This hornbook includes original research and novel analysis of foundational Supreme Court decisions and critical federal statutory schemes – the stories beyond the stories. In addition to delving into the origins and histories of cases and statutes, the hornbook analyzes modern Indian rights settlements, the international and comparative frontiers of Indian law, and the future of the field.
