Losing Hope: A Novel Colleen Hoover

Sometimes in life, in order to move forward you must face the past...

#1 *New York Times* bestselling author Colleen Hoover held readers spellbound with her novel *Hopeless*, the story of what happened when a troubled girl named Sky encountered a long-lost childhood friend, Dean Holder. With Holder's help, Sky uncovered shocking family secrets and came to terms with memories and emotions that had left deep scars.

Hopeless was Sky's story. Now, in *Losing Hope*, we finally learn the truth about Dean Holder.

Haunted by the little girl he couldn't save from imminent danger, Holder's life has been overshadowed by feelings of guilt and remorse. He has never stopped searching for her, believing that finding her would bring him the peace he needs to move on. However, Holder could not have anticipated that he would be faced with even greater pain the moment they reconnect.

In *Losing Hope*, Holder reveals the way in which the events of Sky's youth affected him and his family, leading him to seek his own redemption in the act of saving her. But it is only in loving Sky that he can finally begin to heal himself.
