With an illustrated, storyboard format for procedures, *Phlebotomy: Worktext and Procedures Manual, 4th Edition* describes all aspects of phlebotomy, with current coverage of equipment, safety procedures, arterial blood gases, point-of-care testing, and practical phlebotomy skills. Procedures cover core functions and are outlined with step-by-step instructions and new full-color photos. Clinical scenarios, practice tips, and new *Avoid That Error* features keep the focus on application and practice. Written by phlebotomy expert Robin Warekois, this practical worktext also includes competency checklists, a mock certification exam, a detachable bookmark that can serve as a tube guide, and a new video collection on the Evolve companion website.

- **A detailed, storyboard format** outlines common procedures, with steps accompanied by new full-color photos.
- **Study and certification exam preparation questions** in each chapter help you review and remember the material.
- **A mock certification exam** in the appendix mirrors the format of the actual phlebotomy certification exam, allowing you to review for the exam with 150 multiple-choice questions.
- **Competency Checklists** at the end of the book summarize the most critical and important steps in phlebotomy procedures.
- **Clinical scenarios and tips** encourage you apply your knowledge to real-life challenges in the workplace.
- **Student resources** on an Evolve companion website include a pre-test, animations, a new procedural video collection, interactive exercises, a mock certification exam, and an audio glossary.
- **An anatomy and physiology section** offers illustrated, in-depth information on body systems.
- **A perforated bookmark** on the back cover serves as a quick, portable reminder of which stopper tops to use for various diagnostic tests.
- **Flashbacks and Flashforwards provide a cross reference to related information in previous or upcoming chapters.**
- **NEW video collection** on the Evolve companion website demonstrates how critical procedures are performed.
- **NEW photos** have been added, in addition to new content on professionalism and HIPAA, equipment, and technology.
- **NEW! Avoid That Error scenarios** help you develop critical thinking skills and provide helpful tips on resolving problematic situations.
