Return To The Fountainhead Of The Faith: Explore World Ideologies, Church History & Christianity's Jewish Roots: Second Revised Edition Shelley Wood Gauld

This illustrated book explores three vital subjects seldom broached from the pulpit: *World Ideologies: The uniqueness of the Christian message becomes self-evident when viewed in the context of fourteen major world ideologies. * Church History: An overview of the convoluted history of the Church enables us to come to terms with our Western cultural heritage and face the future with greater confidence. * Christianity's jewish roots: Like a magnificent tapestry, the Hebrew tradition delights the senses, feeds the soul, and shines with a compelling ancient beauty. This book provides numerous rejuvenating insights into the New Testament's bedrock "Jewishness." Original line drawings, charts and maps help illuminate fascinating correlations between New Testament principles and the history, worship, customs, calendar, and language of the Jews. "This is not dry academicism, but a work of art that touches both head and heart." Rev. Frank Lenihan, Montana USA: Bridges for Peace
