Endless Opportunities for Infant and Toddler Curriculum: A Relationship-Based Approach (2nd Edition) Sandra H. Petersen, Donna S. Wittmer

This new edition helps parents, caregivers, and early interventionists prepare curriculum for our youngest learners. To encourage learning, the authors use a three-step approach - **Respect, Reflect, and Relate**. This book will help all those who care for infants and toddlers to translate their knowledge of child development into effective, individualized curriculum; it will not tell them what to do on Monday, but rather will help them to ask: "How will I make decisions on Monday that truly come from the child's interests?" Through observation, they will choose a response that supports learning and the relationship and therefore achieve the primary goal of an infant/toddler care teacher- to support the parent-child relationship.
