Knitting is a skill, a craft, a science, and an art all rolled into one. When someone learns to knit, he or she can create fashion that makes a wearable a statement or accessories that make a house a home. This book is an engaging, enlightening introduction to knitting. It will take you from the very beginning stages - knowing what to look for when you're shopping, learning the basics you need to know to create a simple project right now, deciphering a pattern – and give you the confidence to develop your skills enough to master even the most complicated project later on. Each section of the book delivers a nuts and bolts how-to with clear descriptions of techniques accompanied by illustrations.

Some of the skills readers will learn include:

- where to find ideas
- materials needed
- how to cast on
- how to do the knit stitch
- how to do the purl stitch
- how to tie off
- how to bind off
- how to block
- how to care for and store your finished work
- how to seam pieces together
- how to read a pattern
- how to deal with mistakes

Directions for making a simple and fun project are also included.
