Military Science Fiction: Resonance of War (Sci-fi, Cyberpunk, Space Marine) (Fantasy science fiction) Joseph A. Palmer

After the collapse of all natural resources on the planet all hell broke loose,

There were lootings, mass murders, cultist uprisings and mass revolt against the global leaders.

Everyone turned and blamed the Government for the state that humanities greed had caused the earth, once lush and green, to become a husk of its former glory, sink holes formed everywhere, earth quakes and tsunamis destroyed the cost line, humanity was forced to sit and watch its inevitable fate arrive.

A last ditch attempt, well, rather a suicide mission, was hatched by a university professor.

what if the big bang was to be recreated, with a small group of people, the pinnacle of humanity along with all the information amassed over the thousands of years with one single goal.

The recreation of life.
