The Best of Me: by Nicholas Sparks | Summary & Analysis (by Book*Sense)

This is a Summary & Analysis of The Best of Me. In his novel The Best of Me, Nicholas Sparks relates the stories of Dawson Cole and Amanda Collier as they return to the town of their youth and rekindle, if only for a short time, the romance they had shared as teenagers. Along the way, they confront and meet the challenges of their past, coming to a neat resolution common to the romance novel and reminding readers why Sparks is a dominant voice in the genre.

Most of The Best of Me is set in and around Oriental, North Carolina, a small town still mired in much of the Old South pseudo-feudal mentality. Summer 2009 sees one off its older and more stable members, Tuck Hostetler, die and one of its prodigal sons return, as well as the fallout from it. Its antebellum past is noted early on in the text, and its retention of many of the older patterns of behavior and social fixity is remarked upon throughout the text.

You also get the following in this Summary & Analysis of The Best of Me:

- Detailed Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher the novel
- Details of Characters & Key Character Analysis
- Summary of the text, with some analytical comments interspersed
- Discussion & Analysis of Themes, Symbols...
- And Much More!

This Analysis of The Best of Me fills the gap, making you understand more while enhancing your reading experience.
