Throb

Vi Keeland

Throb Vi Keeland

From *New York Times* & *USA Today* Bestseller, **Vi Keeland**, comes a steamy new romance novel.

The rules:

No dating.

No sex outside of the game.

No disclosing the terms of the contract.

Rules were made to be broken, right?

Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...*so I thought*. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother.

Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

From reader reviews:

Joshua Sigmund:

Nowadays reading books are more than want or need but also get a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with schooling books but if you want experience happy read one using theme for entertaining including comic or novel. The particular Throb is kind of e-book which is giving the reader erratic experience.

Steven Thomas:

Reading a book to be new life style in this season; every people loves to examine a book. When you study a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and soon. The Throb provide you with a new experience in studying a book.

Edwin Bernal:

In this era globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended for you is Throb this e-book consist a lot of the information on the condition of this world now. This specific book was represented so why is the world has grown up. The dialect styles that writer use for explain it is easy to understand. Typically the writer made some exploration when he makes this book. That is why this book suited all of you.

Delois Dionisio:

As we know that book is significant thing to add our information for everything. By a publication we can know everything you want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This guide Throb was filled about science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit from a book, you can feel enjoy to read a guide. In the modern era like at this point, many ways to get book that you simply wanted.
