**Three Bears of the Pacific Northwest** Richard Lee Vaughan, Marcia Vaughn

When a small blue teddy bear falls out of a moving recreational vehicle in the mountains of the Pacific Northwest, two native bears-Black Bear and Brown Bear-agree to help reunite Blue Bear with his family. The bears only know that Blue Bear's boy lives in a "shiny silver box with wheels." Down the mountains, through the forests, and across the saltwater, the three bears encounter eagles, seals, skunks, and many other Pacific Northwest animals along their way. This is a charming story with a happy ending and no Goldilocks. The book features Jeremiah Trammel's beautiful oil-painted illustrations, which are sure to engage children and parents alike. Marcia and Richard Vaughan write children's books separately and collaboratively. Marcia has written more than sixty children's books in Australia and the United States. Richard is the author of more than twenty children's books. Marcia and Richard live in Vashon Island, WA.
