La razón de Dios: Creer en una época de escepticismo (Spanish Edition) Timothy Keller

Como pastor en una zona céntrica de la ciudad de Nueva York, Timothy Keller ha reunido en este libro varios de los “interrogantes” que le suelen plantear los miembros más escépticos de su iglesia, así como también las razones más importantes de la fe. En *La razón de Dios*, Keller se centra en cada una de esas dudas, explicando sus razones. Keller se sirve de la literatura, la filosofía, conversaciones de la vida real y lúcidos razonamientos, para explicar por qué la fe en el Dios cristiano es una creencia racional y razonada, sostenida por personas de probada integridad intelectual y con una genuina compasión por todos cuantos realmente quieren conocer la verdad.
