**Politics: A no holds-barred analysis of the political madness** Dr Edward Schellhammer

The majority of politicians are incompetent, ignorant, arrogant, false, aggressive, immature, amoral, narcissistic, neurotic, psychotic, blinded, hypocrites, and cowards. Politics has failed in achieving peace on earth, in eliminating the roots of all wars, in creating economic balance, and in promoting humans' evolution. Outrageous failure everywhere: concepts, religions, justice, democracy, regulations, constitutions, laws, culture, money and wealth, living standard, human rights, human values, ethics, international institutions and relations, and public education.
