*Heart of the Pack ~ Part 1: Bitten*

Bettina

Getting attacked by feral dogs in the alley behind the bakery is a crappy way to start my weekend. And it only gets worse when an insanely sexy man tells me I've been bitten by a werewolf. Though he's obviously insanely insane as well as drop-dead hot, I can't stop myself from thinking about the killer body under his expensive silvery suit... or the secrets in the depths of his ice-blue eyes.

Reeve

All bets are off. The vicious rogues invading my territory infected a human woman with the werewolf virus. And as civilized as I try to be, I want a taste of that smart tongue and curvy body. Already I scented the change in her: a wildness that makes her a threat to my endangered pack... and at the same time makes my blood sing. I'll never let the rogues take her. She belongs to us.

*Bitten is the first episode of HEART OF THE PACK, a paranormal shapeshifter BBW romance serial in eight parts. The stories contain adult language and graphic sexual situations with a dominant alpha male seeking a mate for his pack. Rated M for mature and W for wild readers only.*
