In a slow real estate market, selling your house can be difficult—especially if you owe more on your mortgage than your house is worth. In times like these, it's not enough to simply list your home and wait; you actually have to *sell* your home. This practical, important book shows you how to use marketing techniques, advertising, repairs and upgrades, home staging, and other creative, effective tactics to get your house sold fast—no matter how bad the market is.
