The Importance of Being Idle: A Little Book of Lazy Inspiration Stephen Robins

“The time that a man may call his own,” observed Charles Lamb, “that is his life.” In an age of increasingly long and stressful working hours, *The Importance of Being Idle* is a call-to-arms for would-be loafers to turn their hands to absolutely nothing whatsoever. This compendium of guidance and wisdom from prominent loafers argues with stunning wit and impeccable logic that idling plays an important role in both the progress of civilization and in our daily well-being. Just the thing to bring harried executives to their senses or to help committed idlers while away the lazy hours.
