ARADIA, or the Gospel of the Witches [with Appendix] Charles Godfrey Leland

This classic text is one of the few books which claims to be an actual sacred text of traditional witchcraft taken from a group of pagan witches.

In the 20th century, this book was very influential in the development of the Neopagan religion of Wicca.

The author, Charles Godfrey Leland, was an American journalist, folklorist, and of course, an author. The basis of this book is based on material in which he received from a woman known as Maddelena.

On New Years day, 1897 she handed over to him a document in her own handwriting, the Vangel, which is the core of this book. Soon after handing over the Vangel, Maddelena reportedly went missing, and never contacted Leland again.
