Bruce Lee: Fighting Words Bruce Thomas

"Don't think – Feel!"

This is the wisdom that Bruce Lee impelled his students to follow. Even 30 years after his death, Bruce Lee remains a legend the world over. His writings and biographies continue to sell and his millions of fans worldwide are always eager for new and interesting information on him. This collection picks up where the popular *Bruce Lee: Fighting Spirit* left off. Comprised of a series of short, pithy selections including anecdotes, interviews, and short essays, the book reflects the many facets of a complex man with two distinctly different sides that were often in conflict. Bruce Lee, superstar and icon, the most exciting screen presence of his day, the most innovative martial artist of the modern era . . . and Bruce Lee, the flawed human and unfulfilled philosopher. In words and pictures, the book offers a reappraisal of Lee's tragic early death and insights into the underlying philosophy that made him a unique talent. Features 16 black and white photos.
