The best wine and food pairings create harmony among unexpected flavors. Chardonnay, Riesling, and Merlot are classic pairing choices, but less conventional grape varieties like Albariño, Grenache, Grüner Veltliner, Malbec, and Tempranillo are becoming increasingly popular, coveted by those with curious palates and a taste for good value. In *Daring Pairings*, the adventurous companion to the acclaimed *Perfect Pairings*, Master Sommelier Evan Goldstein shows how anyone can bring these emerging, exciting varieties to the table. He ventures into wine's new frontiers, exploring the flavors and pairing potential of thirty-six distinctive grapes from around the world, including Argentina, Spain, Italy, Greece, and France. In his entertaining and approachable style, Goldstein offers advice on crafting unforgettable wine and food pairings, suggests wines for everyday and special occasions, and recommends producers and importers. Thirty-six star chefs present recipes specially tailored to Goldstein's wine selections, and full-color photographs display these dishes in delectable splendor. This authoritative, down-to-earth guide reveals that pairing food and wine is no great mystery—anyone willing to explore or experiment can create bold and memorable combinations.
