Lenin's Harem

William Burton McCormick

Lenin's Harem William Burton McCormick

Latvia, 1905. Amidst the ashes of the failed workers' rebellions of 1905, Latvian aristocrat Wiktor Rooks finds that he has lost everything: home and heritage, his life's very purpose. Coerced into the Russian Army, Wiktor is soon swept up into the turbulent years of the Great War and the Bolshevik Revolution. By a twist of fate, he becomes a member of the elite Red Riflemen of the Revolution, a regiment nicknamed "Lenin's Harem" for their absolute loyalty to the cause. Wiktor hides his aristocratic past, finds friendship among the soldiers, and love with a communist girl. When the wars end, he returns to his homeland, but betrayals await and Stalin's soldiers are soon knocking on the door. Set in Russia and Latvia between 1905 and 1941, *Lenin's Harem* is a story of nationhood, brotherhood, and love throughout the most turbulent years of the twentieth century.

From reader reviews:

Ruth Graham:

This Lenin's Harem book is not really ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is actually information inside this e-book incredible fresh, you will get info which is getting deeper an individual read a lot of information you will get. This specific Lenin's Harem without we comprehend teach the one who examining it become critical in thinking and analyzing. Don't become worry Lenin's Harem can bring whenever you are and not make your bag space or bookshelves' become full because you can have it within your lovely laptop even mobile phone. This Lenin's Harem having fine arrangement in word along with layout, so you will not really feel uninterested in reading.

Donald Diaz:

As people who live in the modest era should be change about what going on or details even knowledge to make these keep up with the era which is always change and advance. Some of you maybe may update themselves by reading through books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This Lenin's Harem is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Cami Raley:

The reason why? Because this Lenin's Harem is an unordinary book that the inside of the book waiting for you to snap this but latter it will jolt you with the secret the idea inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Irving Carlin:

What is your hobby? Have you heard that will question when you got pupils? We believe that that problem was given by teacher for their students. Many kinds of hobby, All people has different hobby. And also you know that little person including reading or as reading become their hobby. You need to know that reading is very important in addition to book as to be the thing. Book is important thing to increase you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is actually Lenin's Harem.
