“CAUTION. THIS IS NOT A STEP” This is the warning you will find at the top of most ladders that you can purchase at a home improvement store. The same holds true for the corporate world. There is not step at the top of the corporate ladder. So the question is how does one get to the top? Is it a STEP or a TRAP? Mission, Vision and Bulls#it is the story of Shawn and his perilous, sometimes exciting, and often frustrating journey into the corporate world. Nash has adeptly woven multiple facets of corporate existence into a first class satire that repeatedly has the reader both laughing and nodding in acknowledgment as we experience all these things through the eyes of shawn. Is there a silver lining in the corporate cloud? Or better yet, is there an exit door? Review “A witty, entertaining satire of the corporate world.” -Adam Grant, Wharton professor and New York Times bestselling author of Give and Take “Hilarious and pretty ‘LOL-some’ corporate bible that should not be missed!” – Dipen Ambalia, Best-Selling Author of To B.E or not to B.E, LOSER and others.
