The Missing Factor: What Really is a Normal Christian Life? Margaret Belanger

Have you ever felt as though there must be more to the Christian life than you are presently experiencing. Well there is! Author Margaret Belanger in her book "The Missing Factor" challenges traditional religious perceptions and sheds new light on scriptures that have seemed complicated and contradictory. You may be "saved" and looking forward to heaven (or Jesus' return) and trying to live a godly life and be a witness. Maybe you diligently study the scriptures and earnestly pray, and yet you struggle over personal inconsistencies. In this book you will discover the trustworthiness of God's word, character and love, as your heart is awakened to new covenant realities. An enlightening read that will give you clearer understanding of the true gospel (the one Jesus suffered to give us). It will help you to identify and work through the factors that limit us.
