Once you let a book into your life, the most unexpected things can happen...

Broken Wheel, Iowa, has never seen anyone like Sara, who traveled all the way from Sweden just to meet her book-loving pen pal, Amy. When she arrives, however, she finds Amy's funeral guests just leaving. The residents of Broken Wheel are happy to look after their bewildered visitor?there's not much else to do in a dying small town that's almost beyond repair.

You certainly wouldn't open a bookstore. And definitely not with the tourist in charge. You'd need a vacant storefront (Main Street is full of them), books (Amy's house is full of them), and...customers.

The bookstore might be a little quirky. Then again, so is Sara. But Broken Wheel's own story might be more eccentric and surprising than she thought.

A heartwarming reminder of why we are booklovers, this is a sweet, smart story about how books find us, change us, and connect us.
