Hello Everyone, First off let me just say THANK YOU for your interest in my book. This is my story of how I went from living a comfortable life, to losing everything in my life. Broken and desperate I no longer had the will to live another day. That's the position I was in when I lost my business and did not have a penny to my name. Left walking the streets and almost homeless my solution was just to end it. But with the love of my family and their unconditional acceptance, I was able to relearn...that life is worth living and you can too! If you're going through tough times, I hope my story can have a positive impact in your life. And I know you've heard the cliché don't ever give up but it's worth repeating because that message is powerful...especially when you want to give up. Anyone can learn from my mistakes, so you don't make the same mistakes I did! And if you want more out of life, this book can be a spark that ignites an unstoppable momentum you have stored WITHIN! This momentum will then fuel a blaze of unwavering determination needed to kick over the barriers keeping you from attaining life's treasures...GO for it! – Roni Given
