Cali Morgan has everything she wanted: acceptance into a top law program, a gorgeous boyfriend, and an incredible summer at Lake Tahoe planned with her best friend. Until her teenage crush Jaeger Lang walks back into her life ... and sparks fly between them, burning up all her best-laid plans. *"Jules Barnard deftly avoids NA cliches, delivering fresh settings, realistic characters and smart writing that will have readers eagerly awaiting her next release."* ~ **Lauren Layne, USA Today Bestselling Author**

When Cali Morgan kicks off her perfect post-college summer in Lake Tahoe, she has everything she ever wanted: acceptance into a top law program, a gorgeous boyfriend, and an incredible summer planned with her best friend.

Confident about her place in the world, Cali makes it her mission to be her friend's wingwoman and help her meet guys. What Cali doesn't count on is running into Jaeger Lang, one of her older brother's high school friends, or the sparks that fly when she's around him.

Jaeger has changed, and it's not just the added height and muscle. There's something about him that's deep and a little scarred. In spite of the changes, Jaeger becomes a top pick for her friend--if Cali can keep her hands off him.

But when Cali's boyfriend dumps her and her carefully laid plans begin to unravel, she finds herself questioning what it is she truly desires. In the midst of doubts about her future, one thing is very clear: she wants Jaeger for her own. The question is, has her friend already fallen for him? And will Jaeger's past come back to haunt them both?

Deep Blue is book #1 of the Blue Series. Each book in the series is a standalone and does not need to be read in order, but characters pop up again so it's fun to read them sequentially.
