## **The Alpha's Mate (The Wolverers) (Volume 1)** Jacqueline Rhoades

Welcome to Rabbit Creek.... City girl Elizabeth Reynolds hopes to find peace and contentment in the small Appalachian town of Rabbit Creek. Okay, so the bucolic cottage she's rented turns out to be a dilapidated cabin without phone service, but the people she meets are wonderful. Friendly and down to earth, they welcome her with open arms. It's just like moving to Mayberry... if Andy and Aunt Bea were wolves. Only an outsider would call them werewolves. They're wolvers, a community of man/beasts that have lived in these hills since their ancestors emigrated from Scotland three hundred years ago. And that gorgeous Chief of Police, Marshall Goodman, the guy she met while covered in mud and wearing granny underpants? The one who sends her heart spinning? He's their Alpha and his pack is under attack from outside forces. Elizabeth, being a sane and reasonable woman, wants no part of any of this, but if she refuses to risk her life and her heart, the people she's grown to care about will lose everything and she'll lose the one man she was born to love.
