The Snake Den Chuck Tyrell

The Snake Den

Western by Chuck Tyrell

This book has 301 paperback pages.

Arizona, 1882. Falsely accused of theft, 14 year old Shawn Brodie is sent to serve three years in the Hellhole called Yuma Territorial Prison. Lamb to the slaughter, maybe? The Mexican Zapata wants to stick him with a knife, the warden wants him to mend his thieving ways, and the sergeant of the guard wants to get into Shawn's pants. If he won't do what Sergeant Tarkington wants, he'll end up in the Snake Den, a cube of iron straps hung from the ceiling of a dark cave. If he doesn't do what Zapata says, he'll end up with a nail sticking out of his eye. If he can't convince the warden that he's not a thief, he'll spend his days tromping Colorado River mud to make adobe bricks.

Is his young life going to be made up of beatings, rape, and incarceration in the deadly Snake Den? The odds seem stacked against young Shawn ever getting out of Yuma Prison alive. The Mexicans hate the whites, the Chinamen and blacks stay out of the way, and the whites fight among themselves. Somehow, Shawn must learn how to defend himself, and chance throws him in with Shoo Lee, a cellmate, an Oriental proficient in the barehanded fighting technique Kara Ti. Perhaps if he becomes Shoo Lee's disciple he can endure...

"Remarkable. A page turning thriller set in a frontier prison where a boy convict learns about the tough world of survival as he grows into a man. Told with gritty courage and honesty – a surprising blend of East and West, it's a coming-of-age story like none you've ever read." – Corinne Joy Brown, author of McGregor's Lantern, Sanctuary Ranch, and Come and Get it!

"Though young, Shawn has the strong moral fiber to survive, no matter what comes his way. Chuck Tyrell has produced a memorable hero and a grim, gritty yet very real tale of brutality leavened with kindness, despair salved with hope, and ultimately an inspiring testament to a young boy's journey into manhood." – Ross Morton, author of The \$300 Man

"Chuck Tyrell has brought authenticity and poignancy to a western with a difference..." – Jack Martin, author of The Ballad of Delta Rose.
