"Dad, why do dogs SMELL BUTTS?!"

The animal planet is filled with many unusual and sometimes downright kooky behaviors! But underneath each of these actions and animalistic attributes is a scientific explanation that helps us understand and gain a deeper appreciation about the majestic animals we share our planet with.

So if you're interested in zoology, or are simply a very curious fellow, come along for a ride through the animal kingdom and get answers to everything you ever wondered about animals (and as a BONUS, you'll also learn some really weird facts to impress your friends with)!

Here are just a few of the things you'll finally have the answers to:

- Why do Zebras have stripes?
- Why do Hippos spray their poop everywhere?
- Why do Elephants have such ginormous ears?
- Why, oh why, do Ostriches stick their heads in the sand?

So come explore, and learn about our great big planet and all the many beasties that live in it!
