Alexandra James gave up her spring break for an offer she couldn't refuse—a week-long job that would earn her enough money to buy her way out of a broken heart. But if she thought her new boss would let her off easy because he's her father's best friend, she couldn't have been more wrong.

Dean Brittany demands perfection from his employees, but none more so than his new temp, since correcting her mistakes seems to fuel his unexpected attraction to her. Unfortunately for him, eighteen-year-old Alexandra is strictly off limits.
