Be the Change Hope Foundation

Mahatma Gandhi once famously asked, 'How can I be the change that will make a difference in the world?' – a question that forces us to look beyond the conventional measurements of success in order to evaluate our role in life and our relationship with others. In this book, introduced by Maureen Forrest, founder of The Hope Foundation, forty-two contributors (including Maureen herself) tackle the question. The answers are as varied as the contributors themselves, each with their own unique experience to share. It is an inspiring book with a treasure-trove of wisdom that is bound to challenge and provoke the reader. The Hope Foundation is a registered Irish Charity working to save the street and slum children of Kolkata in India from lives of pain, abuse, poverty and darkness. All the profits from this book will go to the Hope Foundation.
