Today's Best Practice In Your Pocket

5 STAR DOODY'S REVIEW!

"The audience includes everyone who cares for patients, be they primary care clinicians, students, or residents in training. The editors, well known academic clinicians, have done a wonderful job....This is a valuable addition to every primary care clinician's personal library at a very reasonable price."--*Doody's Review Service*

This handy, pocket-sized guide draws information from many sources and presents them in an easy-to-use, comprehensive package for use by any primary care clinician. It offers quick-access to the latest guidelines for the most appropriate preventive services, screening methods, and treatment approaches commonly encountered in the outpatient setting.

Features:

- Updated annually
- Screening, prevention, and treatment guidelines for more than 60 common outpatient conditions
- Content drawn from the most reliable sources: government agencies, medical and scientific organizations, and expert panels
- Easy-to-follow guideline-based algorithms speed clinical decision-making
- Immunization schedule for children
- Website addresses for U.S. government agencies and professional organizations

NEW TO THIS EDITION:

- Major updates to disease management guidelines
- More international guidelines
- Appendix of Guidelines in Perspective identifying areas of discordance and where new directions are emerging
