The Politics of Pension Reform: Institutions and Policy Change in Western Europe Giuliano Bonoli
European pension systems are increasingly under pressure. In this book Giuliano Bonoli examines policymakers' efforts to cope, caught between public support for existing pension schemes and the expected inability to sustain current arrangements in the context of an aging population. This book compares and assesses the process of pension policy-making in the UK, France and Switzerland, examining the factors that influence pension reform. The book looks at new pension legislation, demographic change, and pension financing, and will be of interest to policymakers as well as students of the welfare state.
