TNTC Luke (Tyndale New Testament Commentaries) Leon Morris

The Gospel of Luke presents many unique pictures of Jesus. We see him in his Father's house as a child, we see him deliberately associating with the poor and the disreputable, and we see him in communion with the Holy Spirit. But we also see the larger picture of Jesus setting out resolutely for Jerusalem in order to fulfil God's plan for the world. With a critical awareness of scholarly discussions and a practical attentiveness to both the text and the reader, Leon Morris carefully places the themes of Luke's Gospel within the context of God's plan for all people. This classic commentary has been completely retypeset and presented in a fresh, vibrant new large paperback format, with new global branding.
