Darken the Stars (The Cricket Series Book 3) Amy A. Bartol

Kyon Ensin finally has what he's always wanted: possession of Cricket Hollowell, the priestess who foresees the future. Together, their combined power will be unrivaled. Cricket, however, doesn't crave the crown of Ethar—she has an unbreakable desire to live life on her own terms, a life that she desperately wants to share with her love, Trey Allairis.

As conspiracies rage in the war for Ethar, Cricket's so-called allies want to use her as a spy. Even those held closest cannot be trusted—including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Cricket's resolve will not allow her to be used as anyone's pawn, even as the Brotherhood sharpens its plans to cut out her heart.

As the destiny prophesied by her mother approaches, Cricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.
