Modern EdTech Leadership: A practical guide to designing your team, serving your teachers, and adjusting your strategy for the 21st century. Mike Daugherty

This book, Modern EdTech Leadership, has been specifically written to support the transformation of school technology leaders and their teams. As designed, this book will push the thinking of these teams, while simultaneously providing insight into how to close key gaps, so that they can be the foundation of a dynamic digital conversion, working to better meet the needs of the students and staff that they serve. Throughout the book, Daugherty lays out a roadmap filled with both sound and practical advice on leading a technology team that supports high quality teaching and learning by providing students and staff with the tools, resources, and supports needed to better prepare students for their tomorrow.
